Small Steps Big Futures

Year 4 Summer 1

Our Learning Journey

Be Kind
Be Safe
Be Your Best

Maths

- Recognise, compare and calculate with decimal numbers, making links between fractions and decimals.
- Solve problems involving money, including adding, subtracting and finding change.

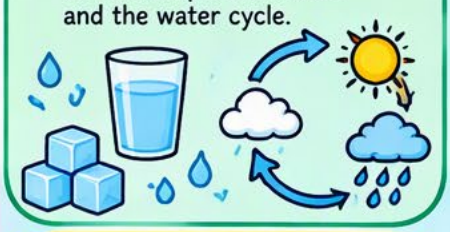

Literacy

- Write persuasive letters and setting descriptions.
- Use persuasive language and vivid description to influence the reader and create clear images.

Science

- Identify solids, liquids and gases using their properties.
- Describe melting, freezing, condensing and evaporating.
- Explore the water cycle.
- Investigate how temperature affects evaporation rates and the water cycle.

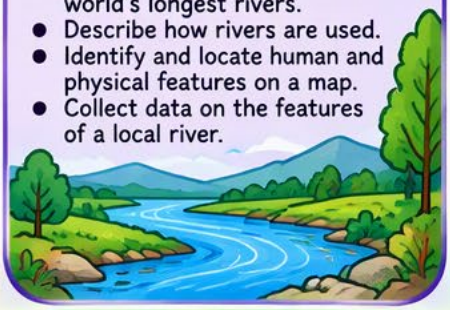

Art

- Use tone to create a 3D effect.
- Explore proportion and tone when drawing.
- Plan a composition for a mixed media drawing.
- Use shading techniques to create pattern and contrast.
- Work collaboratively to create artwork.

Geography

- Describe how the water cycle works.
- Recognise the features and courses of a river.
- Name and locate some of the world's longest rivers.
- Describe how rivers are used.
- Identify and locate human and physical features on a map.
- Collect data on the features of a local river.

RE

- Learn about the contribution of Guru Arjan Dev Ji, Baba Deep Singh Ji, Guru Ram Das Ji and Guru Hargobind Sahib Ji to the Harmandir Sahib.
- Identify connections between Sikh and Islamic prayers.
- Visit a Gurdwara.

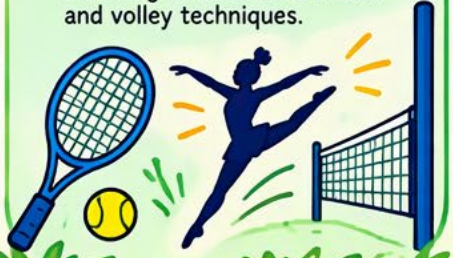

Jigsaw (PSHE) Relationships

- Learn how to build positive relationships.
- Manage conflicts.
- Show respect and empathy towards others.

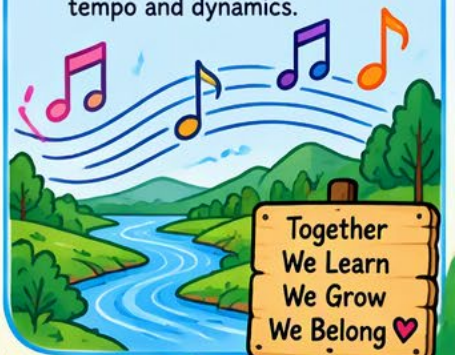

PE

- Understand the role of humour and the feelings it creates.
- Develop dance skills, including learning, creating and performing sequences.
- Improve net and wall game skills, including forehand, backhand and volley techniques.

Music

- Explore the theme of Rivers through singing.
- Learn about changes in pitch, tempo and dynamics.

Curious Minds ♥ Brighter Futures
